### COVID-19 Resources

Select Walgreens and CVS offer COVID testing and vaccinations, on an appointment basis, visit [walgreens.com](https://www.walgreens.com) or [cvs.com](https://www.cvs.com) for availability.

Some pharmacies may also have at-home testing kits available on site.

Community testing site:  
5<sup>th</sup> Street Garage at the Auraria Campus  
650 Walnut Street, Denver, CO 80204

To register for a test, visit <https://covidcheckcolorado.org/find-our-sites-testing/>
